PROFESSIONAL SUMMARY

Recent Database Technology graduate with hands-on experience in SQL, Python (Pandas), Excel, Power BI, and Tableau, covering data cleaning, dashboards, and business reporting. Brings 6+ years of real business experience, growing a retail brand's social media to 450K+ combined followers while supporting daily sales operations. Strong analytical and problem-solving skills, 45+ certifications including Data Analyst Bootcamp 2026, and ready to contribute from day one. Selected SQL, Python, Power BI, and Tableau projects are showcased in my portfolio (link above).

TECHNICAL SKILLS

Data & BI: SQL & Database Design, MySQL / MariaDB, Power BI, Tableau, Azure Synapse / Polybase, Microsoft Excel
Programming: Python (Pandas), PHP, JavaScript, Java, HTML, CSS, GitHub
Tools: Microsoft Office, Canva, Photoshop, Illustrator, Adobe Premiere, Kali Linux

EXPERIENCE

Sales Clerk & Social Media Manager — Harzan Bazary Gulia (Family Business) | Sep 2019 – Present

- Grew the business's social media to 450K+ combined followers (Instagram 320K, Facebook 90K, TikTok 40K) through consistent content planning, publishing, and campaign management.
- Produced promotional content and campaigns that raised brand visibility and customer engagement.
- Managed daily retail sales, customer service, and product presentation in a busy family retail environment.

Intern — Asas Internship Program — Asiacell, Commercial Department | Aug 2025 – Sep 2025

- Worked within the Commercial Department to improve Customer Experience across multiple branches.
- Contributed to Customer Journey mapping, Voice of Customer (VoC) analysis, and Digital Channels improvement.
- Gained direct insight into customer-centric strategy and digital service delivery in telecommunications.

Volunteer — Kurdistan Book Club | Jul 2019 – Aug 2020

- Supported community and cultural initiatives promoting reading and open discussion among members.
